

Online Training Resources

1. The National Center on Substance Abuse and Child Welfare
<http://www.ncsacw.samhsa.gov/training.asp>

The National Center on Substance Abuse and Child Welfare offers online tutorials for specific target audiences. The tutorials focus on the subjects of substance abuse and child welfare; they support and facilitate collaboration between the child welfare system, the substance abuse treatment system, and the courts.

There is no cost to enroll in the online tutorials. When you register, you will receive a username and password. This allows you to access the lessons at your convenience. Continuing Education Units are available upon successful completion of a tutorial.

PDF copies of the tutorials are available for personal reference or training purposes after registration. Supplemental course materials are being developed to provide more effective learning, acquisition of knowledge, competences and skills for tutorial users. These course materials will be made available as they are released.

Tutorial 1: Understanding Child Welfare and the Dependency Court: A Guide for Substance Abuse Treatment Professionals

Tutorial 2: Understanding Substance Use Disorders, Treatment and Family Recovery: A Guide for Child Welfare Professionals

Tutorial 3: Understanding Substance Use Disorders, Treatment, and Family Recovery: A Guide for Legal Professionals

2. Joint Together <http://www.jointogether.org/keyissues/medications/continuing-ed/>

Join Together offers free online learning opportunities for addiction treatment counselors. Continuing education units (CEUs) are available with the offerings listed below. A downloadable certificate is immediately issued at the successful completion of an online posttest. For more information, please read the credit designation and requirements for each course.

An Introduction to The Role of Medication in Substance Use Treatment

An Introduction to Medication for Alcohol Dependence

3. AddictionEd <http://www.attcnetwork.org/addictionEd/searchcourses.asp>

Sponsored by the Addiction Technology Transfer Center (ATTC) Network, AddictionEd.org gives educational providers from around the world access to thousands of potential students who are seeking quality distance education classes.

4. The Center for Substance Abuse Prevention <http://pathwayscourses.samhsa.gov/index.htm>

Through this site we offer prevention courses that are free to the public. Some courses are meant for professionals and have continuing education credits available. Other courses are designed to provide helpful information to members of the general public interested in prevention topics.

5. Treatment Solutions Network <http://www.treatmentsolutionsnetwork.com/store/>

Treatment Solutions Network Online Continuing Education for Licensed Professional Counselors (LPC), Marriage and Family Therapists (MFT), Psychologists, Social Workers, Psychotherapists, Nurses, and other Professional Therapists needing (CEs or CEUs) to maintain their licensing credentials.
